This event is produced by Mile East Productions in partnership with Yarmouth Events Association, in support of the Tri-County Hospice Society.

# WICKEDLY ENCHANTED GALA

## In Support of the Tri-County Hospice Society

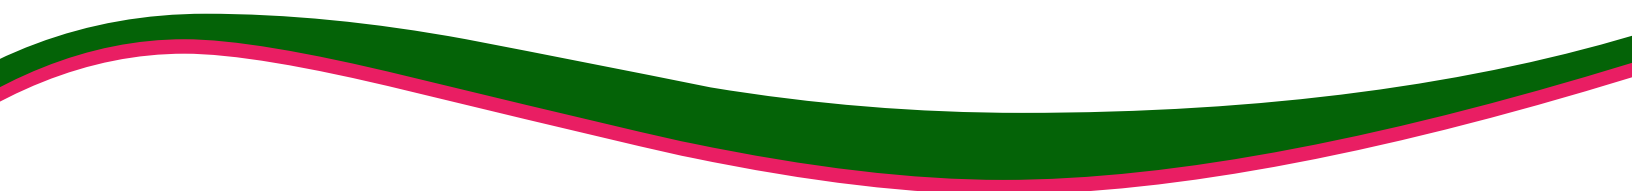

The Wickedly Enchanted Gala is a signature fundraising event designed to bring together business leaders, community champions, and supporters for an unforgettable evening of elegance, entertainment, and impact – all in support of the Tri-County Hospice Society.

Hosted in a transformed ballroom and adjacent convention spaces, the gala offers guests an immersive experience inspired by the theme of two sides of enchantment. A striking Emerald Green and Vibrant Pink visual palette sets the stage for a night that balances sophistication with theatrical flair, creating an environment that is both captivating and memorable.

At its core, the Wickedly Enchanted Gala is about community impact. Proceeds from the event directly support the Tri-County Hospice Society, an organization dedicated to providing compassionate, dignified end-of-life care and vital support services to individuals and families across our region. The gala offers an opportunity for the business community to come together in meaningful support of this essential local service.

For corporate partners, the event presents a unique sponsorship opportunity - combining strong brand visibility, positive community alignment, and association with a professionally produced, high-profile fundraising experience. Sponsors benefit from integrated recognition throughout the guest journey, on-site branding, and extended exposure through event marketing, social media, and post-event communications.

The Wickedly Enchanted Gala is more than a fundraiser. It is a celebration of generosity, partnership, and the collective power of a community coming together to make a lasting difference.
